RULES GOVERNING TRAVELLING LIBRARIES.

TRAVELLING Libraries shall be under the control of the Librarian of the Legislative Assembly, subject to direction by the Commissioners of the Library, to whom all applications must be made in the manner prescribed hereinafter. Any number of persons of the full age of twenty-one years and being British subjects, in any community, may sign a petition making application for a library to be sent to a designated address.

In order that their application may be entertained, the petitioners must agree to pay the transportation charges; to provide a suitable place for the reception of the Library; to select a librarian to take charge of the books and act as librarian (free of charge to the Government); to become responsible for the care of the books while in the custody of the librarian; and to forward the library to a designated address at the end of three months.

Libraries shall consist of a locked case containing fifty or more books, pamphlets, or other publications, the same to be accompanied by a key, a set of rules, and catalogues for lending and reference purposes.

The publications shall refer to matters pertaining to agriculture, mining, forestry and other natural resources, but may contain as well a limited number of selected volumes of a general character.

Applicants for a library must forward with the petition \$6.00 to cover the cost of the case; but no community shall be required to pay the cost of more than one case.

The library shall be kept at a convenient place, and be opened for the delivery and return of books at such times as the trustee in charge shall direct.

Any resident of the community shall be entitled to the loan of books, as long as he complies with the rules, having first signed the following agreement:—

"Being a resident of _____, over fifteen years of age, I hereby agree, as a borrower from the British Columbia Travelling Library, to promptly return the books within the time specified, and to pay any fines due by me for over-detention of books, or for injury to or loss sustained by any book while charged to me."

Persons under fifteen years of age shall be entitled to the same privileges as the foregoing in case their agreement is indorsed by a parent or guardian, or by any of the petitioners for the library, or the trustee.

Two volumes may be drawn by each reader and retained two weeks.

A fine of five cents per week shall be paid for each book kept over time, and no books shall be lent to any one to whom books or an unpaid fine are charged.

Fines shall be paid to the librarian and used under the direction of the trustee for library purposes.

A reader desiring a book not at the time on the shelves, may have it reserved for him for forty-eight hours after its return, by giving notice to the librarian.

A reader returning a book which is not reserved may renew it for two weeks.

Notes, corrections of the press, or marginal references of any kind on books belonging to the Province are unconditionally forbidden, and all losses or injuries beyond reasonable wear, from whatever cause, must be adjusted to the satisfaction of the trustee by the person to whom the book is charged.

Any person taking any books, maps or other publications from the library shall be liable for all damage done thereto while in his or her possession, which damages shall be assessed by the librarian and paid to him or her by the person taking out such book, map or publication; and the payment of all damages or losses in respect to books the property of the Province shall be made a condition precedent to obtaining further loans, and all moneys received by the librarian shall be fully accounted for to the Provincial Librarian.

Books must be handled with care and leaves must not be turned down.

The librarian shall keep an accurate record of all books lent out, entering the date of borrowing and return, cards for which purpose are provided with each library sent out.

A library may remain for three months in any community, at the end of which time, however, it shall be the duty of the librarian to forward it, packed up as received, to a designated address supplied by the Provincial Librarian.

In case of an application being received by the Provincial Librarian, duly signed by the librarian and trustee of the library, requesting an extension of time not exceeding three months, the same may be granted.

An accurate record shall be kept of the books lent out and the date of their return, and a full report of the same shall be forwarded at the end of every three months to the Provincial Librarian, whose duty it will be to publish such returns in his annual report.

A printed catalogue of the books in each library shall accompany the same.

JAMES BAKER,

Provincial Secretary.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

IN THE MATTER OF THE "WATER CLAUSES CONSOLIDATION ACT, 1897," PART III., AND IN THE MATTER OF A PETITION BY THE "ASHCROFT WATER-WORKS COMPANY, LIMITED," FOR A CERTIFICATE UNDER THE PROVISIONS OF SECTION 55 OF SAID ACT.

1. This is to certify that the Ashcroft Water-Works Company, Limited, a specially incorporated Company within the meaning of Part III. of the "Water Clauses Consolidation Act, 1897," incorporated on the 28th day of July, 1897, for the sole object of constructing and operating a water-works system for the supply of the unincorporated locality hereinafter defined, and the purposes necessary and incidental thereto, has by its petition prayed for the granting of a certificate under the provisions of section 55 of the said Act; and, furthermore, that upon the hearing of the said petition it has been made to appear to my satisfaction that the Company has complied with the provisions of section 52 of the said Act, and that the facts made to appear to me are such as to justify the construction and operation of the proposed undertaking and works, and the doing and exercising of all acts and statutory powers in connection therewith.

2. And this is further to certify that the said undertaking, as shown by the documents and plans filed in support of the said petition, is as follows:—

(a.) The Company propose to generate electricity at a point about three miles from the Town of Ashcroft, on the Bonaparte River, by water power, and to convey an electrical current by wire to an electric motor pump situated on the east side of the Thompson River at the foot of First Street, of the said Town of Ashcroft, and about 800 feet south of the bridge on the Cariboo Road crossing the Thompson River near the said Town of Ashcroft, and with the use of this pump to pump water from the Thompson River to a reservoir situate about 1,600 feet from the pump-house upon the lands lastly described at an elevation of about two hundred feet, and to distribute the water

from the said pump and the said reservoir through the said unincorporated locality by means of pipes and mines laid under the street for the use of the inhabitants.

(b.) The unincorporated locality for which the above Company was incorporated with the object of constructing and operating a water works system, and for purposes necessary and incidental thereto, consists of all and singular those certain parcels or tracts of land and premises situate, lying and being in the Province of British Columbia and known and numbered as Blocks 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23 and 24 upon the map or plan of the Town of Ashcroft, showing the subdivisions of part of Lot 423, Group 1, Kamloops Division of Yale District, deposited in the Land Registry Office at Victoria on the 28th day of June, 1886, and there numbered 189, and the station grounds of the Canadian Pacific Railway Company shown on the said plan.

(c.) The approximate number of persons actually resident within the said unincorporated locality is about 500, and the number of inns 3, the number of dwelling houses, 40, churches, 3, stores, 8, and buildings and works occupied for industrial purposes, 8.

(d.) The amount of unrecorded water for which the Company has made application is 100 inches, and the estimated quantity of water available in the Thompson River, from which the Company propose to draw their supply, is about 1,000,000 inches. No head is required for the operation of the proposed system.

(e.) The lands sought to be taken by the Company under powers of expropriation is a strip of land nine feet wide running through Block 23 of the said Town of Ashcroft; thence continuing in a strip of the same width through and across the right of way of the Canadian Pacific Railway Company; thence in an easterly direction in a strip of the same width for a distance of about 800 feet from the eastern boundary of the said right of way to the proposed site of the reservoir, which said site is also sought to be taken under powers of expropriation, and which will include about one-quarter of an acre. All of the said land sought to be so acquired east of the Canadian Pacific Railway Company's right of way is in said Lot 423, Group 1, Kamloops Division of Yale District, but does not form part of the said Townsite of Ashcroft.

3. And this is further to certify that the amount of capital of said Company, which shall be duly subscribed for before the Company shall be authorised to exercise its corporate powers, is hereby fixed at the sum of \$10,000.00.

4. And this is further to certify that the time within which the said capital is to be subscribed is fixed at one month from the date hereof; and the time within which such undertaking is to be commenced is fixed at one month from the date hereof.

5. And this is further to certify that I have imposed the following conditions and restrictions, which I deem necessary in the public interest, namely:—

(a.) That such works shall be in operation so as to supply water to the amount of 5,000 gallons per day within the said unincorporated locality within twelve months from the date hereof.
